YANA SOURCING

Industrial Electronics RFQ Checklist

Control, I/O and communication modules for industrial machines and production systems.

Module type PLC, HMI, industrial PC, I/O module, switch, relay or signal conditioner

_____

Supply Voltage, current budget and isolation requirements

_____

I/O Channel count, signal type, range and timing

_____

Networking Physical interface, protocol, device profile and topology

_____

Compatibility Hardware revision, firmware, licenses and software versions

_____

Mounting DIN rail, panel, rack or embedded, with ambient limits

_____

Acceptance Functional checks, configuration backup and lifecycle support

_____

Order details Part reference or drawing, quantity, delivery destination, target date and acceptance requirements.
